Thanks Jamie. We will make those edits.

FYI, the attached version is the latest one in play. It is going to PMO now but we will ensure to capture the minister's changes in the final version. If you or the Minister see anything in the attached draft you have comments on, please let us know.

Sorry for multiple versions – this has been rather fast and furious!

Just spoke to the Minister as well. He suggested the two quick edits (in track changes) that I've added in this document. Relating to a text exchanges with Kenney on the Couttes situation, and speaking to Ford as well on the 14th and a text from Moe on the 14th as well.

I spoke with Min. Mulroney's COS on Feb 7.

And here is the data from Meredith (All of which can be noted as the office of the Min. of IGA):

Windsor:
I was in ongoing and regular contact with the Mayor of Windsors chief of staff as of Feb 8 up until yesterday Feb 15.
-Feb 8 15 minute call
- several text and emails.
- shared information I received with colleagues in Multi-ministerial chain.

Premiers Office:
I had some sporadic communication with the Premier's office
- beginning Feb 6, trying to find a contact for Minister Alghabra's office to reach Minister Mulroney re convoy.
- Then Feb 9 - 37 minute call
- Several texts and a few emails with updates on
- Windsor/Sarnia and broad range measures bringing taken/considered.
-Feb 12 - 33 minute call

Thanks Jamie. We had the calls with Atlantic and BC in a later section in doc (see below) and the Min LeBel call in the Next Steps section. Would you have the dates for the engagements by your office, as well as the call with Premier Kenney?

Thanks,
Louise

- * In support of his Cabinet colleagues and on behalf of the Prime Minister, the Minister of Intergovernmental Affairs, Infrastructure and Communities also communicated with the premiers of Nova Scotia (February 12, 2022), New Brunswick (February 12, 2022), Newfoundland and Labrador (February 12, 2022), and British Columbia (February 13, 2022) to ask how the situation was going to offer federal support to help the provinces respond to the disruption and blockades.

Adding Laurel (who's talking to PMO concurrently on this) to save time

So this is missing several elements from our side in the lead up to the FMM.

Minister was in communication with Ford as noted, but also with Higgs, Houston, Furey, and Kenney
Our office spoke to the Office of the Ontario Minister of Transport (I spoke to Mulroney's COS, when they were not returning Min. Alghabra's calls)
Our office was in regular contact with Premier Ford's office – and with the Office of the Mayor of Windsor (Meredith)
Minister Spoke to Sonia Lebel on Monday afternoon, post FMM, but pre news conference.

Hi Jamie,

Here is the current draft. Some info is still to come in, however, it would be very helpful if we could get your views on this draft as we finalize. We've asked for PCO DM comments by 11:00 and will share more broadly after that.
